### **Shower Update**

Shower room renovation will close the men's bathroom and showers at the pool on Tuesday, February 7. The women's bathroom and showers will be closed on Wednesday, February 8. The bathroom in the Community Center will be available to you both days during business hours, 8:30AM until 5PM.

### **Lights Out!**

Right now you're probably wondering what you can do this weekend, to work off those Superbowl snacks. If you're among those holiday holdouts who have not removed their decorations and lights (including white lights), we have a great suggestion. Remove the sparkly stuff this weekend and the Community Association won't send you a ditch-the-lights letter. Talk about a win-win situation!
