

Stonegate E-Mail News of 4/25/06

Perfect weather meant great Spring Fling attendance – certainly more than 600 during the four-hour picnic last Sunday. Stonegate residents and their families enjoyed the climbing wall and the many bouncy rides. It was warm enough to lure the kids into the pool, but not warm enough to thwart grown-ups who wanted to enjoy the food and festivities at a table with their friends. Teaching chefs from Scottsdale Culinary Academy served an expanded menu. There was music and, of course, Joseph Odhiambo leading games and activities for the children.

A special thanks to our Spring Fling Sponsors. Without them it really wouldn't have been possible:
