The SRP-Verizon cell phone antenna

Salt River Project held an informational open house in the Community Center last Wednesday evening. About 50 Stonegate residents came by to find out more about the proposed cell phone antenna which Verizon wants to install in the power corridor.

If you have not yet sent us your opinion regarding the Verizon/SRP cell phone antenna project, now is a good time to do so. Scottsdale's Parks and Recreation Commission will consider this matter at its next meeting, 5PM Wednesday, May 3 at the Civic Center Senior Center, 7375 E. 2nd Street. The Association has not taken a position on this matter, but will present the opinions of the residents at that meeting. You can voice your opinion using the reply button in your browser or this link: noraw@stonegate-scottsdale.com

Summer camp

Michael Grant has announced his Stonegate Summer Sports Camp program. The first session starts on Wednesday, June 14. Weekly sessions continue on a 5 day per week schedule through July 21, except for the holiday week of July 3 – 9. Michael doesn't specify a minimum age, but children must be able to swim the length of the pool. He's also interested in hiring responsible, athletic Stonegate teens 16+ as camp counselors, and promises a supervision ratio of 5:1. You'll find sign-up sheets at the Community Center and the pick-up bins at the gates, or call Michael's cell phone: (602)741-5683.
