Spa Down

The spa will be drained and out of service Monday from 5AM until 5PM.

Television Survey

About 275 have now returned the television survey we e-mailed you on Tuesday. If you're not in that group, the ad hoc committee is eagerly awaiting your information. You can:

- * print it out and FAX it back to (480) 391-1639, or
- * drop it off at the Community Center or the drop box in the outbound lane at the main gate, or
- * e-mail it back by hitting REPLY on your e-mail program. (That makes it easy to change or enter data, so you can add your answers.)

Coach Grant

Michael is out of town through May 31, taking a course for a certification upgrade exam. But he wants parents to know that they can drop off summer camp registration forms at the Community Center. Michael can always be reached on his cellphone, (602) 741-5683, or by e-mail to tennispro1az@netzero.net.
