Need a Stonegate ID Card?

You can get one at the Community Center this Saturday and next, 10AM until 2PM. If you're over the age of 12 and use the recreational area, you should have a card.

Party Registration

If you're having a bunch of people over and plan to enjoy the recreational area, you first need to call Dolly (480-391-9760) and register by renting a mini-ramada.

It's important. Sure, there is a minimal fee to the Community Association, to reserve your space, but that actually is not the point.

This is how we keep limits on pool parties, so that there is always room for residents to come use the pool. There are only two mini-ramadas, so there can never be more than two small parties (or one medium-sized party) in session at any given time. If you're down by the pool this weekend, imagine how it would be with four or five end-of-school parties in session. It's a good system, and cooperation is easy.

Swim Lessons

Classes begin Tuesday, June 6. Lori's Swim School tells us that 42 Stonegate kids have signed up. That's big. Classes this month will run Tuesday and Thursday only. But Lori has a waiting list, and may expand to Monday and Wednesday in July. Call her at (602) 787-5977 if you want to sign your kids up for July or August.

Michael Grant's Summer Camp

Michael has not yet got the 15 kids he had hoped for, though he is close. So space is available for the camp, which starts Wednesday, June 14. He wanted to make clear that with or without an enrollment of 15, he will be running his camp. To enroll your child, pick up a sign-up sheet at the gates or community center. Or just call him at (602) 741-5683 -- or e-mail him at tennispro1az@netzero.net.
