

Stonegate Email News of 2-22-07 Election Special Edition

Your election materials for the Stonegate Board of Directors election, including the ballot and Annual Report, will be mailed on March 1. The Stonegate Annual Meeting is set for Thursday, March 29, 7PM, at the Community Center. You should be able to watch the meeting on Channel 22. In the meanwhile, we are showing our Meet the Candidates tape, a 20 minute presentation featuring all eight candidates, six days a week. (See the coming week's schedule below.)

You may recall that Channel 22 service to digital customers was restored a couple of weeks ago. Since then, problems have re-emerged involving the digital audio transmission. It's a hard problem to monitor, since our normal signal (slideshow-like ads and information screens) does not carry any audio. So a lack of audio signal is only evident when a live telecast, such as a Board meeting, or a videotape like Meet the Candidates, is shown.

Cox technicians will work on it this afternoon and, with luck, will very soon have audio restored to digital customers. Analog service has not experienced problems. So if you normally watch through a digital or high definition cable box or DVR box, you may find that Channel 22 service is just fine in another room where the set is plugged directly into the cable outlet in the wall.
