Who won the election?

Results were announced last night at the Stonegate Annual Meeting. Don Levitt and Lee Secrest joined incumbent Lori Condon on the new Board of Directors. A total of 359 ballots were cast, amounting to 39% of the community. That's actually a very strong turnout and up substantially from last year.

The New Board

Immediately after the Annual Meeting, the new Board convened for election of officers:

Mike Flamer (Windcrest)	President
Bill Topf (Windcrest)	Vice-President
Tom Schaefer (Retreat)	Treasurer
Lori Condon (Retreat)	Secretary
H. David Wood (Retreat)	Director
Don Levitt (Belcourt)	Director
Lee Secrest (Regent)	Director

Special Thanks

Two-year Board President Chuck Murphy and two-year Vice-President Suzanne McCann were not eligible to run again in this election. They now leave office, having seen the community through two Board terms -- four very successful years which benefited greatly from their leadership and talent. They will be missed.
