

Stonegate Email News of 8-10-07

Sold out! The August 22 wine tasting event is booked to capacity. Organizer Ann Fitzpatrick looks forward to scheduling more social events, not necessarily involving wine. Call her at (480) 946-2255 to volunteer or share your ideas.

Attention Stonegate Sharks! Our swim team numbered 45 kids over the course of the summer. The final practice and team pizza party is Thursday, August 23, 6 – 7PM. All team members are invited, including those who participated for only a month or two. Please come in your swimsuit to be in the team picture. Stonegate is so proud of these excellent young swimmers that we're giving each one a Stonegate Sharks tee shirt.

Brush and Bulk pick-up is next week. Your items should be out for pick-up early Monday morning, though Scottsdale gives itself a week to get the job done and won't offer us a clue as to when they'll come through Stonegate. Please stack the stuff neatly, since it may be there several days. And please don't block the sidewalk.

One other consideration: To the best of our knowledge, nothing from the brush and bulk pick-up is recycled or salvaged. If you put that dated patio furniture out, it'll be in the landfill the day it's picked up. Many local charitable organizations would be happy to pick up your dated furniture.
