Stonegate Stepping Out.

Step out with us, your neighbors!

Couples, singles and new residents are all welcome to join us for a social outing with your neighbors while tasting four Argentinean wines.

After such a strong response and high demand for our first event, Stonegate Stepping Out is holding one more wine tasting event for 2007 at *The Wine Studio*. *The Wine Studio* is a roomy wine bar with three comfortable lounge areas, a large bar and many tables and chairs providing plenty of seating for everyone; what's more, there are three large screen TVs for our sports enthusiasts wanting to watch the games.

When: Saturday night, September 29, 2007.

Where: *The Wine Studio*, 7337 E. Shea Blvd,
across from Butterfield's Restaurant.

Time: 6:00 - 8:00 pm - come before or after dinner!

To Attend: RSVP to Ann Fitzpatrick - 480-946-2255. Business casual.

There will be four tasting glasses of fine wines (three reds, one white) with fruit and cheese for nibbling. The cost is \$15.00 at the event. Other beverages are available for purchase. A discount will be given for event wine purchases. For more information and questions on what to expect at a wine tasting, please call Coordinator Ann Fitzpatrick at Garcia Realty Advisors, Inc. 480-946-2255. Don't miss out on the Saturday night fun!

Is it tennis time yet?

The recreational areas open at 7AM and close at 10PM.

Now that the tennis area parking lot gate has been removed, players are able to access the courts before 7AM. So please don't go onto the courts before 7AM.

Houses border the courts and the people who live there deserve your consideration.

Similarly, we've been having problems with swimmers walking into the pool area early through gates opened by workmen who need to transport landscaping or construction materials. People in the water make pool maintenance much more difficult. Please give the maintenance guys until 7AM to finish. The rules require it and it really is in the swimmers' best interests.
