Poker, anyone? The First Ever Stonegate Social Texas Hold'em Tournament is set for Wednesday evening, November 14, starting at 6:30PM. The buy-in is \$50 and real dealers will preside. Seating at the tables is limited to 32 people, so if you want to play, we need to hear from you. Call Nora at the Community Center, (480) 391-9760, ext. 14. If you have poker-related questions or want to help with the event, call Jerry Levine, (480) 614-9903.

Seats are still available in the Contemporary Cinema class. Cost is \$40 per person (early bird rate) if you sign up now. The fee covers six of the 4PM Monday classes, October 15 through November 19. Ed Everroad and Stonegate resident Dr. Judy Balan will teach these popular and provocative classes here at the Community Center. Call Judy at (480) 661-3952 or pick up a registration form at the Community Center.

It's ugly grass time again. That hardly seems possible, but winter grass transition has already begun in the common areas and all around Stonegate. If you're new in the community, you need to know that Stonegate requires year-round green in your front yard turf areas. And that means scalping, top dressing, overseeding and all the other things that go with the installation of winter rye grass. So if your lawn still looks good – it should get ugly soon. Speak to your gardener and make sure you're on his list for overseeding.

If you hate that old computer, mark your calendar for Saturday, October 13, 7:30AM to 2:00PM. It's Scottsdale electronics recycling day at nearby 9191 E San Salvador. Just follow the signs from the intersection of 91st and Via Linda. Bring your water bill and driver's license. To recycle electronics other than computers, check the city's website: <http://www.scottsdaleaz.gov/recycle/recyclingelectronics.asp>.
