Family Movie under the Stars is back! On Friday, May 16, Stonegate families will convene at the newly renovated Stonegate Pool for a dive-in movie. We'll have pizza, water, juice boxes and soft drinks on hand. At 7:30, we'll show an appropriate family movie yet to be announced, with a maximum running length of 90 minutes, on a screen positioned to let you watch from the pool. It's a great chance for Stonegate school kids to get to know each other, and an essential for parents seeking playdates for their little ones. Other details must wait until week after next. But for now – well, mark your calendar!

Diamondbacks Tickets for the May 3 game are going fast. Unsold tickets include a block of 6, a block of 5, two singles (within the Stonegate group area) and two pairs. If you want 'em, the form is attached. Put it in an envelope along with your check and put it in the Stonegate drop box at the main gate. The remaining tickets are strictly first-come, first-served.

Married Life is the movie for discussion Monday afternoon at 4PM. The group is open to all, and free -- but we're pretty sure the Camelview Theater will charge you to see the film.

The Current Events Discussion Group meets Wednesday, April 9 at 4PM to discuss the decline of the dollar and other economic issues.

The Stonegate Book Club meets Thursday, April 10 at 10AM to discuss *Three Cups of Tea* by Greg Mortenson. If you're interested in reading ahead, the book for May 8 is *The Emperor's Children* by Claire Messud.

Next week is Scottsdale Brush and Bulk Collection week. As always, Scottsdale wants you to have your stuff out and ready to be picked up early Monday morning. They won't, however, tell us on which day they intend to come collect it. As always, the Community Association asks that you not block the sidewalk.
