

Stonegate Email News of 4-15-08

What about the Verizon antenna? It will be operating about May 1, possibly sooner. Meanwhile, Verizon would like to sign you up. Their discount offer is attached to this email. If you have trouble opening it, copies are available at the Community Center.

We still have a few tickets available for Diamondbacks Baseball on Saturday, May 3. \$32 per seat. Call Nora at the Community Center: (480) 391-9760. Reservation form is attached.

Spring has sprung and at this time of year, Stonegate residents are very likely to think about their front yards.

So, do the landscaping changes you plan require the approval of the Architectural Committee?

If they're substantial or significant alterations to your current look, they do. And if those subjective terms have you confused, just pick up the phone and call us at (480) 391-9760 during office hours. Or better still, email us with a description of what you want to do and perhaps a picture or two of the area you'll be addressing. We'll get you a not-so-subjective reply. In any case, architectural approval is not difficult. The Architectural Committee meets the first and third Wednesday mornings of each month. Your architectural application must be in Stonegate's hands by 2PM the preceding Saturday. You'll find the forms online at www.stonegate-scottsdale.com. The Architectural Guidelines can also be accessed from the website.

Poker Players Wanted.
We don't have enough players yet!
