Sign-up form is attached to this email. Drop you form at the Community Center or the community drop box in the outbound lane at Main Gate

Remember, start time is now 5:30, not 6:30.

- No minors will be admitted without adult supervision.
- Kids can bring their friends.
- Plan to supervise the children you bring.
- Please sign up and pay in advance – as a courtesy to others. It makes the line move much faster. We will not restrict the number who can attend, so we may run out of seating.
- Bring your own beach blankets, flotation devices, and dry clothes (jams are okay).
- There will be tickets for food and beverages. (We're figuring one hotdog, one beverage and one snow cone per person. You may want to pre-feed 'em or BYO sandwiches.)
- Game sign-ups at the event. Play at your own risk.
- We do need volunteers. *Fitness Experience* will have their crew there to cook and run the games. But we need volunteers to sign people in and hand out food tickets. We also need volunteers for screen holding, if necessary. Even a small wind can destabilize the screen.
- Weather could cancel the event. If that happens before it starts, we'll refund all pre-paid admissions. Forecasts currently call for a hot July day, no monsoon. (Plan to get wet.) We should have better information 24 hours ahead of time.

Our sponsor, *Fitness Experience*, is in the Mercado, behind Goldie's. New management, new classes, new look. Stop by to see the facility or call the gym at (480) 451-7650. They will have table at the event and a very low, special offer: \$20 a month on a 24 month contract. Sign up *at the event* and they'll waive the enrollment fee.
