

Stonegate Email News of 9-10-08

Next week will be a very busy week in Stonegate. With three alternatives, we hope you'll be able to find a time that fits your schedule.

Tuesday, September 16, 7PM. Community Meeting to discuss the proposed Amended and Restated CC&Rs. You received information and a data CD several weeks ago. We hope you've had a chance to look at the files on the CD. The meetings will give you a chance to ask questions and make suggestions. Refreshments will be served.

Thursday, September 18, 7PM. Community Meeting. (See info above) With refreshments.

Friday, September 19, 6PM. Dive In Movie. See information below.

Saturday, September 20, 8:30AM. Community Meeting. Light breakfast – with coffee of course -- will be served. The presentation will begin at 9AM.

About the movie:

The final Dive-In Movie of the season, *Over the Hedge*, will start at 6:45PM.

- \$1.00 per person covers the movie.
- Come early to meet other Stonegate families with children of similar ages. This is where you go to pursue play-dates and carpools, and similar essential activities.
- The July movie was less crowded than the movie in May, which was nice – though we've heard from quite a few Stonegate families who weren't there, and hoped for another movie night so they could catch up. So even if you went to the previous movie nights, there will be new people there to meet.
- Please plan to bring extra towels and dry clothes. Even if the day is into triple digits, it cools quickly at night.
- We won't turn anyone away, but do ask that you sign up in advance if you possibly can since it really speeds the line along.
- Because we can't know how many people will be there, it's possible that we could run out of seating. A few chairs in the car's trunk could prove useful.
- We've found a sponsor to provide you with snacking pizza and beverages. Renee Sacco, a Stonegate resident, is a Home Mortgage Consultant for Wells Fargo Home Mortgage. She'll be on hand to meet you. (Or call her office at 480-767-5000 or her cell phone, 602-390-5133.)
- Help! It's going to be a busy week for staff. We always need volunteers to help with the greeter table and pizza service. We also need a daddy crew to help us disassemble the equipment and move it into the community center at the end of the event.
