

Stonegate Email News of 12-16-08 -correction

Pool temperatures:

For the next few days, the National Weather Service predicts rain and unusually cold weather. On Thursday, they expect a low of 34° with a high of only 52°. Friday should be slightly better: low 36°, high 56°.

To reduce costs, we will reduce the temperature of the pool two degrees, but maintain the spa temperature at 103°. Spa users: Please put the cover back on when you are finished.

When the cold snap passes, the pool temperature will return to its normal 80° ± 2°.

Current Events Discussion Group:

They will meet this Wednesday, 12/17 at 4PM to discuss the November election and its consequences. Everyone is welcome.

Coupon Books:

They went out yesterday. Check your mailbox.

Board Meeting:

Normally, Board meetings are held on the fourth Tuesday of the month. And normally, December is the big exception. This month's Board meeting will be **this Wednesday, December 17 at 6PM.**
