

## Stonegate Email News – Election Report of 2-18-09

The Nomination and Election Committee met yesterday afternoon. They counted 56 votes. The community as a whole, and 10 of our 15 subdivisions, are now above 50%. Five are above 60%. But we need votes from 67% of Stonegate homes and none of the neighborhoods is at 67% yet. Community volunteers will be calling their neighbors again this week. They would like to see the end of this election soon, and the way to make that happen is to vote. *So if you have not voted yet – what's keeping you?*

If you have questions:

- The Stonegate website has both of the files that were sent to you on a CD in January: The proposed Amended and Restated CC&Rs, and a redline comparing them with the first version which you received last August. Go to <http://stonegate-scottsdale.com/SG/Carousel/Archives/>
- If you just want someone to answer a question, or you need an explanation, call the Community Center at (480) 391-9760 and talk to Executive Director Larry Paprocki. If you'd prefer to talk to a fellow Stonegate resident, he'll put you in touch with a member of the committee which worked for three years to create the new CC&Rs.
