

Stonegate Email News of 5/01/09

Your Dive In Movie sign-up sheet is attached. It's very important to fill it out and drop it by the Community Center or the drop box at the main gate. This is a special Dive-In Movie because we'll also be doing Family Games – which means that there's planning to be done. Brian Funston from Fitness Experience (in The Mercado behind Goldie's) ran a terrific event in July last year. This year's should be even more fun. So mark your calendar for Friday, May 22, with the games starting at 4PM and the movie (*The Game Plan*) starting at 7:30PM. Then reserve your spot with the attached form – which is also posted on our website, www.stonegate-scottsdale.com .

Lessons and swim team start this coming Tuesday from 4.30 until 6PM. Little Fins and Junior Fins classes are filling well. About ten children have signed up to swim with the Sharks, Stonegate's swim team, in May. Coach Sarah is hoping for a few walk-ons, so if your children want to join in this month, they certainly can. We've attached the forms, which are also posted on our website. Little Fins' phone/FAX is (480)-585-7684. Website: www.KicksKids.com
