

Stonegate Email News of 2009-05-22

The new date for our Dive In Movie is Friday, June 5. A May rainstorm is a rare event. Between May 10 and June 20, not one single day shows a non-zero average for precipitation. So we have reason to hope for good weather on June 5. We had 95 people signed up as of close of business last Wednesday. Those who signed up in advance can get a refund -- or just let it ride and decide later.

Stonegate Summer Camp preview is this weekend, Saturday and Sunday, May 23 & 24, 8:30AM to 10:30AM – weather permitting. The entire family is welcome. Meet at main courts.

Stonegate Summer Camp is still looking for more Stonegate campers, ages 6 – 14, for three two-week sessions. The start dates are June 1, June 15 and June 29. Camp runs 8:30AM until 12:30PM. Camp Director Jeremy Feldman, tennis pro Quita Remick and their energetic staff will teach the children to play tennis and lead a variety of other activities to make the most of their summer. An informational flyer and the registration form are available at the Community Center or on our website:
