Tuesday, November 17. Community Meeting at the Stonegate Community Center. 7PM. Let's talk about vehicles. Let's share ideas about reasonable parking rules, motorcycles, motor homes and trailers full of jet skis. About speeding and noise and safety. To start out, the Ruls and Regulations Committee has drafted a comprehensive ste of Vehicle/Equipment Control Rules and Regulations. Read the public comment draft on our website, www.stonegate-scottsdale.com. Look for the button that says vehicles on the right side of the front page. If you can't make the meeting, submit your comments in writing or via email reply. We'll see that the committee has a chance to discuss them.
