My family and I are lucky to call Stonegate home! We moved to Stonegate in 2001, and I cannot imagine a better neighborhood to be raising my children. I am proud to have been chosen by the Stonegate Board of Directors as a Stonegate Preferred Realtor. Living and working in the neighborhood makes it easy for me to be available on short notice...don't hesitate to call!

STONEGATE MARKET ANALYSIS

I think you will find the Stonegate analysis a useful tool. It provides detail on closed listings such as price, days on market, average price per square foot, etc. Please contact me, if there is any information you would like to see added to this analysis.

85259 ZIP CODE ANALYSIS

Stonegate is located in the 85259 zip code. This analysis gives market trends for the whole zip code, comparing the current month to last month, a year ago and two years ago. I believe looking at the big picture will help you understand our current real estate market!

BACKGROUND

Born and raised in Carmel, Indiana, I am Midwestern at heart, but after spending many years in Scottsdale, Arizona this is home! I attended Purdue University for my undergraduate degree and received my M.B.A. from Indiana University. After working as a business consultant for Deloitte Consulting in Chicago and New York City, my husband and I decided to relocate to Scottsdale to be near family and friends. For the past several years I have been enjoying a successful career in real estate with Realty Executives.
