## How to Make Tennis Reservations!

Reservations times are in 90 minute increments.

During the summer (starting April 16), tennis reservations start at 7:00AM. That means the next reservation times are 8:30AM, 10:00AM, 11:30AM, etc. During the winter (starting October 16), tennis reservations start at 7:30AM.

Subsequent reservation times are 9:00AM, 10:30AM, 12Noon, etc

Tennis reservations are on a first-come, first-served basis.

There is no charge for a tennis reservation.

Daily call-ins start at 6:45AM -- not a minute earlier.

(Our system accurately time-stamps your reservation according to the time when the phone connection was established. Synch your watch at [www.time.gov](http://www.time.gov).)

Stonegate residents may call for reservations between 6:45AM and 2:00PM the second day prior to the day you want to play -- e.g. for court time on Thursday, call on Tuesday. Stonegate's courts and court reservations are for the use of Stonegate residents and their invited, accompanying guests only. (The Stonegate resident must be present during play.) The number is (480) 391-9760. If you call before office hours, leave your reservation request on ext. 20. To confirm your reservation, it's ext. 21, after 2PM.

**You must bring your Stonegate picture ID card when using the recreational facilities.**

You are not required to display the card. Just be able to show it if asked by the recreational area monitor. Cards are not issued for children under 12 years of age, since they are not allowed to be at the recreational area alone. If your child has a nanny or regular afternoon babysitter, a card can be issued which will allow that person to take the child to the recreational area. Call (480) 391-9760 to arrange an appointment to get your picture ID card.
